

Notice to Sailors
Sailing Instruction 7a
New Rounding Marks

DCYRA will use new rounding marks beginning Saturday, June 27, 2020 for all races. The new marks will involve a color and shape change. The 2020 Sailing Instruction 7a states **“Rounding marks will be orange tetrahedrons for Flying Scots and Lasers. Short yellow cylinders when set are only for Lasers”**

Please note the new marks replace the old yellow tets and Laser tomato marks. Be alert for this change on the water.

Spencer Deakin
DCYRA President
